### 1. Random Acts of Kindness and Pink Shirt Day

- a. 'Random Acts of Kindness' draws have begun. If a student is caught going above and beyond to show kindness around the school, they receive a coupon to enter the weekly draw. Students write their name on the ticket and place it in the draw box in the office. There are several winners each week of a small prize.
- b. February 26th - Cross The Line - Pink Shirt Day activity - it is a powerful activity where students will build empathy and connection with peers and feel less alone in their own life experiences. When we are met with life's challenges, we all too often feel alone in our struggles, the 'cross the line' activity is meant to break down those barriers and build stronger allyship among peers.
- c. February 28th - students and staff are invited to wear a pink shirt to raise awareness of bullying issues. <https://pinkshirtdaycanada.ca/>
- d. February 28th - Pink Shirt Day Broadcast - 40 minute show where they talk about the importance of being kind. The speakers are award-winning authors, Indigenous people, and students/youth who have started their own kindness projects.
